Cycle Day	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40
Disturbance (see below)																																								
Pregnancy Test (hCG) (+ or -)																																								
Intercourse (#)																																								
Period (P) or Spotting (S)																																								
OPK: LH Surge (+)																																								
Ferning (+)																																								
Estrogen Surge (+)																																								

Cycle Day	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40
Mucus: Dray (D), Moist (M), Wet (W)																																								
Creamy (Cr) Sticky (St) Eggwhite (Eg)																																								
Mucus Amount (1-3)																																								
Peak Day (PD)																																								
Cervical Position: High (Hi), Low (Lo)																																								
Firm (Fi), Soft (So)																																								
Open (Op) Closed (Cl)																																								

Cycle Day	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40
Abdominal Cramps (x)																																								
Breast Symtoms (B)																																								
Modiness & Emotional (x)																																								
Cravings (x)																																								
PMS (x)																																								
Diagnostic Tests (x)																																								
Diagnostic Procedures (x)																																								
IVF: Retrieval (R), Implantation (I)																																								
IUI (x)																																								
Fertility Drugs (x)																																								

Disturbances:

New thermometer (NT), alcohol (A), early (E), late (L), disturbed night (D), unwell (U), travel (T), holidays (H), cystitis (C), yeast infection (Y), medicines (M), breastfeeding (B).
